Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Saturday 04 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mostly dry with bright spells.

Today:
Most places will have a dry day with just an isolated light shower, mainly in the west. It will be a rather cloudy start then brightening up with sunny intervals developing. Quite warm. Maximum temperature 20 deg C (68 deg F).

Tonight:
It will be a dry night and staying rather cloudy with a few clear interludes. A southerly breeze picking up by morning. Minimum temperature 12 deg C (54 deg F).

Sunday:
Dry morning with some sunshine at first, then becoming cloudy. Rain will extend eastwards across all parts during the afternoon, turning heavier for a time. Maximum temperature 20 deg C (68 deg F).

Outlook for Monday to Wednesday:
Mostly cloudy on Monday with patchy light rain, gradually dying out, leaving a dry few days. Sunny spells developing during Tuesday then some warm sunshine on Wednesday.
